Hospice Wish List:

Fridge/Freezers: If you are relocating or moving to a smaller place and you don't need a big fridge / freezer anymore please consider donating it to Hospice. We do a great deal of catering and could do with extra fridge and freezer space. Two of ours have just packed up!

Computers: Our computers are getting very old and slow and we are desperately looking for at least 4 new computers. If you can help in any way or you know of someone that could please contact Sonya on 033 344 1560.

Volunteers are needed at Msunduzi Hospice.

Volunteers have been the cornerstone of Msunduzi Hospice for the past 29 years. Volunteers began this wonderful organisation because of a concern for the care of terminally ill patients. They have, through the years, contributed towards the remarkable success of Msunduzi Hospice and remain key role players of the organisation going forward. From Board members, to fund raisers, to those involved in patient care. The life of Msunduzi Hospice is, at one level, a life of volunteers.

If you have time on your hands or know of anyone who might like to join the Hospice team as a Volunteer please contact us and we will be happy to discuss the various volunteer options available with you. To name a few options; reception, working in the Bookshop or Hospice Shop, joining the craft group, helping with our fundraising events, helping with basic cooking in our Conference Centre kitchen, waitressing in our Coffee Shop, helping in our garden, Patient Care, transport of patients, handymen, etc.

Volunteering can be good for you!

- You can form new friendships that can often last a lifetime
- You will be able to make use of your skills and apply your experience and in so doing give back to the community
- You will have the opportunity to use your free time in a positive way
- You will get involved in your community
- It will boost your confidence and bolster your self-esteem
- You will make a difference!
